Panorama path and slide path

The new panorama path provides breathtaking perspectives from the mountain station to the middle station of the Wildkogelbahn. The next highlight is waiting at the middle station of the Wildkogelbahn cable car: with the new slide path, hiking with small and large children is really fun. Up to the Gasthof Stockenbaum you will find ten stainless steel slides with a length of 22 to 53 meters. On slip mats, you can have fun slipping. You disappear into tubes, dive into hollows and dash over waves. The slide with free-fall effect unlatches many a cry of surprise. A leisurely hiking trail leads from Gasthof Stockenbaum to the center of Neukirchen in about 50 minutes or you can also use the hiking bus.

Only open when the Wildkogelbahn is open!
